BUSINESS NEWS

LETTER FROM THE PRESIDENT

Business Bank is on the move! We have established a full service branch in Bellingham, and an agricultural loan production operation in Lynden since the April 2005 opening of the bank in Burlington. In addition, we recently received Federal and State approval to commence operation of a mobile branch service. This service allows courier deposit by the customer without the time consuming hassle of leaving their place of business. We continue to look for ways to bring the bank to the customer. The assets of the bank currently exceed \$80 million and the year to date, after tax profit, as of June 30, 2007, was \$246,000.

We thank all of you for your continued support. If you have any questions, comments or suggestions please feel free to come in and talk with us.

- Don Zimmerman
President/CEO
